

FACTS

WHAT DOES POPULAR, INC. DO WITH YOUR PERSONAL INFORMATION?

Why? Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all the information that can be shared. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

What? The types of personal information we collect and share depend on the product or service you have with us. This information can include:

- Social Security number and income
- Account balance and transaction history
- Payment history and credit history

How? All financial companies need to share customers’ personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers’ personal information; the reasons Popular, Inc. chooses to share; and whether you can limit this sharing.

--------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

What we do

How does Popular, Inc. protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. Also, we limit the access only to employees who need it to provide products and services, or to comply with federal and local regulations.
How does Popular, Inc. collect my personal information?	We collect your personal information, for example, when you <ul style="list-style-type: none"> • open an account or show your driver's license • apply for a loan or show your government issued ID • provide employment information or provide account information We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing?	Federal law gives you the right to limit only <ul style="list-style-type: none"> • sharing for affiliates' everyday business purposes—information about your creditworthiness • affiliates from using your information to market to you • sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. (See below for more on your rights under state law.)
What happens when I limit sharing for an account I hold jointly with someone else?	Your choice(s) will apply to everyone on your account—unless you tell us otherwise.
